## PREFACE

This publication is a reference guide to leading officials of the Ministry of Foreign Trade and other organizations engaged in foreign trade activities. It may be used to find the incumbents of given positions within an organization or the positions of given individuals. It also serves as a guide to the internal structure of some organizations. This directory supersedes the *Directory of USSR Foreign Trade Organizations and Officials* (CR 84-10114, January 1984).
